EXPERIENCE

Financial Strategy and Operations Support Intern | One City Peterborough | Sep 2025 – Dec 2025

- Maintained and validated financial and operational reporting data across four workstreams, supporting accurate business reporting and decision-making.
- Performed variance analysis and workflow reviews to identify reporting discrepancies and process improvement opportunities.
- Collaborated with stakeholders to gather reporting requirements, improve data quality, and ensure timely delivery of business-critical information.
- Audited 12 months of financial and operational records to improve reporting accuracy and support compliance initiatives.

Front-End Associate | Costco Wholesale Canada | May 2024 – Present

- Conducted inventory reconciliation, cycle counting, and stock verification activities to maintain inventory accuracy.
- Investigated inventory discrepancies and supported operational reporting through data validation and process compliance.

Assistant Accountant Manager Intern | Deccan Enterprises | Jun 2021 – Aug 2021

- Reconciled accounts payable, vendor statements, and financial records, identifying discrepancies and ensuring reporting accuracy.
- Supported invoice verification, account tracking, and financial documentation processes within a fast-paced business environment.
- Assisted with ERP implementation and data validation activities, contributing to a 35% reduction in invoicing errors.

PROJECT

Sales & Revenue Analytics Dashboard : Developed an interactive analytics dashboard using Excel and Python to analyze \$10M+ in sales data across multiple product categories. Performed KPI reporting, variance analysis, trend identification, and business performance analysis to support data-driven decision-making.

BoatLoop Business Analysis: Conducted stakeholder analysis, requirements gathering, feasibility assessment, risk analysis, and process modeling for a proposed boat-sharing platform. Produced business analysis artifacts including use cases, requirements documentation, and system models.

LEADERSHIP

Vice President External | Trent International Student Association | Sep 2023 – Aug 2024

- Coordinated external communications and event logistics for over 200 students while working with a small team to keep deliverables organized and on schedule.
